

Alliance University and Bengaluru Rural Police unite for Powerful Anti-Drug Awareness Event in Anekal

The Department of Student Support Services at Alliance University, in a dynamic partnership with the Bangalore Rural Police, orchestrated a highly impactful awareness session in Anekal on the International Day Against Drug Abuse and Illicit Trafficking. The event took place at the bustling premises of the Anekal bus station, drawing a remarkable crowd of over 100 community members. These individuals, immersed in their daily routines or travel plans, paused to engage fully with the session, demonstrating the community's eagerness to combat this pressing issue. Dr. M Viswanathaiah, Registrar of Alliance University, delivered a compelling address on preventive measures against drug abuse and illicit trafficking. The event's success was further bolstered by Mr. Karilappa, KSRTC Traffic Controller, who generously facilitated the use of the bus station facilities. Police constables were present, witnessing the entire event and reinforcing the law enforcement's commitment to the cause. The diverse participation from various sectors highlighted the community's solidarity and proactive stance in fostering a safe and healthy environment. This high-impact event underscores Alliance University's leadership in promoting a healthier, drug-free society. The enthusiastic participation and collaborative spirit exhibited during the session fulfilled the University's intention of raising awareness against drug abuse. Moving forward, Alliance University remains committed to conducting programs addressing this global issue, further solidifying its role as a beacon of social responsibility and public welfare.
