Dr Raghu Raman
Chairman,
Amrita School of
Business,
Coimbatore

Amrita live-in-labs encourage the students to live and experience the problems in the country's villages for two to six months. They try to understand their issues right from health, hygiene, energy, water, waste to environment

Dr Prafulla Agnihotri,
Director,
IIM trichy

There are many challenges in developing new IIMs. The ones in remote parts of the country will face tough challenges. It would be tough for them to establish a centre in the vicinity of industry hubs. Therefore, a careful assessment is needed before establishing new IIMs
