1. Ranking is based on objective and perceptual data with equal weightages. All scores are rounded off to one decimal place; this may result in rounding off errors. 2. Only B-schools which sent objective data are ranked. Institutes like IIMs at Bangalore, Lucknow, Indore and Ranchi, and IIT Bombay & Madras did not participate; Heritage Business School didn't send the data on time and has not been ranked. 3. The ranking is based on information provided by the colleges. Outlook will not be responsible for decisions taken on the basis of the rankings.
